

Postdoctoral Psychology Fellowship in Child Maltreatment for September 2017 Clinical Research Position

Excellent opportunity to be part of a multidisciplinary team under the direction of Esther Deblinger, Ph.D., co-developer of Trauma-Focused CBT (TF-CBT). Position involves participating in research related to child maltreatment under Dr. Deblinger's guidance. The CARES Institute has conducted cutting-edge research on childhood PTSD, TF-CBT, child sexual abuse and child physical abuse, sexual behavior problems, implementation, outcome, and dissemination science, and compassion satisfaction among professionals. Some clinical responsibilities as well, including the assessment and evidence-based treatment of children who have experienced trauma and their families. Full-time positions are available for qualified candidates. A doctoral degree in Psychology is required and a strong research background and some child clinical experience are preferred. Please contact Dr. Elisabeth Pollio at [856-566-7036](tel:856-566-7036) or pollioes@rowan.edu<<mailto:pollioes@rowan.edu>> for additional information.

Please apply on-line at <<http://www.umdnj.edu/hrweb>> <http://rowanuniversity.hodesiq.com>. Reference job #16SS5350206. Application deadline is 1/15/17. Our campus is located approximately 15 miles from center city Philadelphia, 1 hour from the beach, and 2 hours from New York City. Rowan University is an Affirmative Action/Equal Opportunity Employer m/f/d/v, and a member of the University Health System of New Jersey. CARES is also offering a clinical fellowship and candidates are welcome to apply for both positions using the same application.
