

McLean Hospital Staff Psychologist Position

McLean Hospital is seeking to fill a full-time staff psychologist position in an intensive exposure-based treatment program for children and adolescents with anxiety disorders and Obsessive-Compulsive Disorder (OCD). The position will include a concurrent appointment as an Instructor in Psychology in the Department of Psychiatry at Harvard Medical School. The position will commence in the summer of 2017.

Candidates must have a doctoral degree in Clinical Psychology from an APA-accredited program, have completed an APA-accredited internship, and have a strong background in pediatric anxiety disorders/OCD and Cognitive-Behavioral Therapy. Candidates also must either be licensed or license-eligible in the state of Massachusetts.

As part of an intensive outpatient exposure-based program for pediatric anxiety disorders and OCD at McLean Hospital, a psychologist will have the unique opportunity to lead exposure groups, parent guidance groups, and family sessions. The psychologist will participate in weekly didactic seminars, case consultations, and group treatment planning meetings. In addition, the psychologist will provide supervision to clinical trainees and will play an integral role in the program's intervention research.

McLean Hospital is a comprehensive psychiatric hospital committed to providing easy access to superior quality, cost-effective mental health services in the Boston area, Massachusetts and beyond. Since 1811, McLean Hospital has been a world leader in the treatment of mental illness and chemical dependency, research into the cause of mental illness and the training of generations of mental health care providers. We invite you to become part of a team that delivers exceptional clinical care.

As an equal opportunity employer, McLean seeks qualified candidates for all employment opportunities without regard to race, color, age, religion, gender, national origin, disability or veteran status. McLean particularly welcomes applications from minorities, women, and persons with disabilities.
