

CLINICAL POSTDOCTORAL FELLOW AT UNC CHAPEL HILL, DEPARTMENT OF PSYCHOLOGY AND NEUROSCIENCE

We are seeking applications for a postdoctoral fellowship position in the Department of Psychology and Neuroscience Community Clinic at the University of North Carolina at Chapel Hill for 2017-18. The postdoctoral fellow will have an opportunity to gain valuable supervised clinical and supervision experience, and accrue substantial hours towards licensure. Activities will include direct clinical work (primarily assessment) and supervision of graduate student trainees in both assessment and treatment activities with children, adolescents and young adults (college students).
